INTRODUCTION

DermaPACK

Packaging is one of competitive factors which determines success of a product launch and customers' choice. Creative and innovative packaging selection helps companies leverage their products and brand image. It can be achieved if companies own a reliable partner who is able to supply excellent cosmetic packaging solutions and capable to supply wide range of standardized products and of high quality.

The partner who is competent in making success of companies' products launch with excellent service guarantee, affordable prices, measurable lead time, and high quality products.

DermaPACK has more than 10 years of experience in supplying premium cosmetics & skin care packaging for cosmetics manufacturers, beauty brands and aesthetics clinics in Indonesia, making DermaPACK the leading firm in this field. In decorative category, we are the specialist for standardized products, such as lip sticks, lip balms, lip tints, lip glosses, eyeshadows, mascara, loose powder, compact powder, eyeliner, foundation and nail polish containers.

We also offer secondary / tertiary processing and decoration (silk-screening, hot-stamping, metalizing, electroplating, and UV coating). We have supported more than 400 firms by adding value and providing packaging that best represent their products.

This catalog consists of summary about our range of products for decorative category. To find out more, we can discuss your new product development plan in order to understand further what kind of specific packaging solutions that you need.

The page features a decorative background with stylized pink flower petals in the corners. The top-left and top-right corners have larger, more detailed petals, while the bottom-left and bottom-right corners have smaller, simpler petals. The center of the page is white, providing a clean backdrop for the text.

A close-up photograph of a person's eye. The eye is looking slightly to the right. The eyelid is covered in a thick layer of gold glitter eyeshadow. A thin line of black eyeliner is applied along the upper lash line. The eyebrows are dark and well-defined. The skin around the eye is a warm, golden-brown color.
