Cosmetics Packaging

INTRODUCTION

DermaPACK

Packaging is one of competitive factors which determines success of a product launch and customers' choice. Creative and innovative packaging selection helps companies leverage their products and brand image. It can be achieved if companies own a reliable partner who is able to supply excellent cosmetic packaging solutions and capable to supply wide range of standardized products and of high quality.

The partner who is competent in making success of companies' products launch with excellent service guarantee, affordable prices, measurable lead time, and high quality products.

DermaPACK has more than 10 years of experience in supplying premium cosmetics & skin care packaging for cosmetics manufacturers, beauty brands and aesthetics clinics in Indonesia, making DermaPACK the leading firm in this field. In decorative category, we are the specialist for standardized products, such as lip sticks, lip balms, lip tints, lip glosses, eyeshadows, mascara, loose powder, compact powder, eyeliner, foundation and nail polish containers.

We also offer secondary / tertiary processing and decoration (silk-screening, hot-stamping, metalizing, electroplating, and UV coating). We have supported more than 400 firms by adding value and providing packaging that best represent their products.

This catalog consists of summary about our range of products for decorative category. To find out more, we can discuss your new product development plan in order to understand further what kind of specific packaging solutions that you need.

01

Cosmetics Packaging

A close-up portrait of a woman with light-colored eyes and blonde hair pulled back. She has a thick, white, textured cream or mask applied to the left side of her face, covering her cheek and forehead. Her right hand is gently touching her neck. The entire image is overlaid with a semi-transparent blue filter. The background is a solid, vibrant blue.

Cosmetics Packaging

A woman with long brown hair tied back, wearing a small pearl earring, is shown from the chest up. She is holding a clear glass perfume bottle with a gold-colored cap in her right hand and spraying it onto her face. Her eyes are closed and she has a gentle smile. Her left hand is touching her cheek. The entire image is overlaid with a semi-transparent red filter.
